Indo-British Skill Training Centre to come up in state

Jalandhar(DP Correspondent) - Aimed at imparting skill training, Punjab Government would soon set up an International Skill Training Centre in one of the Multi Skill Development centres (MSDC) in the state with the British collaboration. A decision in this regard was taken during the visit of an international delegation to take stock of the Skill training being imparted in the Multi Skill Development Centre at Leather Complex in Jalandhar.

The delegation, accompanied by Advisor to the Punjab government on Skill Development Dr Sandeep Singh Kaura, Deputy Commissioner Varinder Kumar Sharma and Additional Deputy Commissioner Bhupinder Singh and visited the skill development centre in Leather Complex. The British delegation said that Doaba was the NRI belt of the state and if the international centre was set up in Jalandhar, it would prove to be a boon for the region and the country.

Deputy Commissioner Varinder Kumar Sharma said that this endeavor was a brain child of the state government to provide skilled training to the youth of the state to cope up with the needs of the industry at the international level. “A Memorandum of Understanding was signed by the Punjab Government with the British High Commission, a few months ago. The youth desirous of earning their livelihood in the foreign shores could get the jobs abroad via legal route”, he said.

During the visit, the delegation comprising of Regional Manager City and Guilds London Tony Degazon, Director and CEO International Centre for Culinary Arts Sunjeh Raja, MD and Director Chill Air Academy, Paul Singh, MD and Director AK Snathe Skills Training Raaj Singh, Manager Operations Chill Air International Hosmeet Singh and Head of Business City and Guilds Rajat Khawas evinced keen interest in training the youth aspiring to go abroad as per the international standards so that a pool of skilled manpower could be created in the state. They also emphasized on need for setting up One Stop Skilling Solution for better training and performance of the youth aspiring to go abroad.
