Punjab govt favours Chadha sugar mill, fails to collect total fine:Majithia TOI | Dec 16, 2018, 07.01 AM IST

READ

DELHI NEWS TODAY

DELHI EARTHQUAKE

DELHI POLLUTION

Chandigarh: SAD leader Bikram Singh Majithia on Friday highlighted in the Punjab legislative assembly that the Punjab government was extending preferential treatment and safe passage to Chadha Sugar Mills in Bathinda since it is owned by the family members of Paramjit Singh Sarna, chief minister's religious adviser. Sarna's niece, Jasdeep Kaur Chadha, owns the sugar mill at Kiri Afgana village in Batala. According to Majithia, though the Punjab Pollution Control Board (PPCB) had

in May imposed Rs 5 crore fine on Chadha Sugar Mills for spilling molasses into Beas river, which had resulted in the death of thousands of fish and pollution, the state government has till now recovered only Rs 2 crore. Sarna told TOI that the Punjab government has not favoured his niece's mill in any way. "They will deposit the remaining fine amount soon, but for that the mill should remain functional," said Sarna. He added that if the mill shuts down, it would have an adverse impact on the sugarcane farmers of the area. Describing the molasses

any lesson. Majithia said that the Congress government had thrown out people for raising the voice. He stated that the then PPCB chairman Kahan Singh Pannu was transferred because he imposed Rs 5 crore on the mill. He also accused that the state government had also removed noted environmentalist Baba Balbir Singh Seechewal from the post of PPCB member for raising the right issues.

The water resources minister Sukhbinder Singh Sarkaria told the assembly that

directions have been issued to the sugar mill to install a resistant retaining wall

the assembly that the irrigation department would give the final approval of the

around the effluent treatment plant to check further molasses leakage. He also told

leakage incident as a natural calamity, Sarna said in such situation any government

The Akali leader had raised the issue during the call attention motion on Friday to

highlight that even though the National Green Tribunal (NGT) had imposed heavy

fine of Rs 50 crore on the Punjab government, the state government has not learnt

would help the industry, as industry's loss is ultimately state's loss.
